#### **KIWANIS FAMILY UPDATES**

#### FROM THE DESK OF GOVERNOR BARBARA MONACO

I extend my deepest gratitude to everyone for their prayers and concern during my recent illness. Though there are a few roadblocks, I'm on the road to recovery. I'm sure I'll be 110% again in no time.

Thanks go to everyone who attended the 2018 Kiwanis Montana District's mid-winter conference March 9-11 at Fairmont Hot Springs and worked diligently for its huge success. Numbers indicate that it was the largest attendance in nearly ten years. I hope everyone had an enjoyable time and learned from the exceptional training tracks, while rekindling old friendships and making new ones.

The good news is that so far the Montana district has added 60 or more new members in the 2017-2018 Kiwanis year. Let's keep this trend going and further increase our membership. With a greater membership, Kiwanis can be even more successful in its mission to serve the children of our communities and the world. Our aspiration is to have each member bring in three to five new members to the local Clubs this year. Let's begin with each of you inviting a friend to participate in Kiwanis and to join in the fun, the fellowship, and the service to the children of your community.

Now please come to Vegas! I hope that each District Club is represented by at least two to three members at the Kiwanis International Conference in Las Vegas June 28 to July 1. The conference training tracks and the entertainment will be fun, perhaps even a once-in-a-lifetime experience. Registration has been extended through April 15th for \$150. You can sign up at <a href="http://www.kiwanis.org/convention/2018/register">http://www.kiwanis.org/convention/2018/register</a>.

I look forward to hitting the road this spring, saying hi to each of you, and participating in Spring events with my fellow Kiwanians throughout the Montana District. Let me know what's happening in your club, and if it's at all possible, I would like to join in the fun.

Thank you for putting your community and your children first. Kids need Kiwanis,

## My Selection for of the "EYE OF THE TIGER" Kiwanian, is:

### Past Governor Chuck Rushing

#### **Congratulations**

During my term as Governor, in each issue of K-Span the Montana District of Kiwanis will select a member or members to be recognized for contributions within the District. I will make these selections based on

INSPIRATION, IMPACT, IMAGE, AND INVESTMENT IN KIWANIS

that the member has demonstrated. Montana Kiwanians may submit to me names of persons they would like to see honored. I have also requested each Lt. Governor to provide names of members in their monthly reports. I will be keeping my "Tiger Eyes" open to identify noteworthy members.

In this issue, we recognize a Kiwanian who always has a heart of service, arms of compassion, and a word of kindness for all with whom he comes in contact. That is Past Governor Chuck Rushing (2011–2012). He believes strongly in Kiwanis and its mission of helping children.

His Kiwanis journey started in 1963 as a young man in Pacifica, California. There, he met a police officer named Don Joyce who was a Kiwanian. Don introduced him to the work of Kiwanis. In later years while in cub scouts, boy scouts and sea scouts, he helped the Kiwanis in several work projects and fundraisers.

Before and after the Army, he worked in public service for about 30 years and when retired, he began a new career in public service – he became a Kiwanian. He joined Kiwanis in 2004 and immediately became Assistant Secretary/Treasurer for the Glendive Club. Since that time, he has been fully immersed as in Key Club advisor and Key Club District Convention Sargent-At-Arms, worked with the BUG Program, and the Kids-In-Crisis Backpack Program.

During his time in Kiwanis, he has received many awards including elected Montana District Governor (2011–2012), three–term distinguished Lt. Governor for Division 5 (2006–07, 2007–08, 2008–09), Lt. Governor of the Year for 2007–2008, Key Club Advisor of the Year, has received The Snell Award, and a Zeller Award.

As a team, he and his wife Tomi have been married for over 50 years. As his family has grown and prospered, he has learned that working together is the foundation for a happy family and growth, he also exhibits it as the foundation for success in whatever one attempts.

Below are the District totals as reported by The Kiwanis Children's Fund. As always, if your club numbers do not match what you show, please let me know.

As can be seen, we are inching along towards our District Pledge. First, let me say that we can be very proud of what we have accomplished so far. The \$317,222 that we have raised has protected the lives of 176,234 women from tetanus for at least a decade! Even better than that, those women will statistically give birth to 704,938 babies during that same decade, who will have a companion protection. Now, they will require their own shots in six months or so, but they will not die from Maternal Neo-natal Tetanus (tetanus contracted during the birthing process). That is 881,172 lives protected!!! That is serving the children of the world – Kiwanis style!

The problem is that we pledged to raise \$647,296 at Convention in Hamilton. Now we have a little over \$7,000 in pledges being paid on, so are around \$310,000 short. That means another 172,222 women and 688,889 unborn babies are waiting for us to meet that pledge. We have the opportunity to do it again!

The goal is to raise the pledges by the end of 2020, so we have a little less than three years to do so. Can we do it? Of course – we just have. We just need to commit ourselves to do it again.

Please carefully consider what you and your club are willing to do to protect these at-risk women and children. If you have any questions on how, please call.

And, as always, thanks for all you have and are doing for our communities and the children of the world.

### **2ND QTR. COMING TO A CLOSE**

The second quarter of the TIME FOR FUN challenge is coming to a close. Send your completed score sheet to Ronald Fischer. Three clubs have already submitted theirs and it's getting really close. Only 10pts separates them and they are having FUN. The real winner is the new members these clubs have brought in and the opportunity to serve their communities

better. Miles City brought in 9 new members in March and Lewistown has added 6 this quarter. Outstanding jobs by both. Its not to late to except the challenge and improve your club, have fun doing it and win a hosted ice cream social for your club and its sponsored youth. New information is on the way via the Lt. Gov. The third and fourth quarters are being combined so I look forward to hearing from you.

### **RESURRECTION DAY**

This is the time of year that Christians come together to remember the resurrection of our Lord Jesus. Other religions are still waiting for the Messiah to come. They recognize Jesus as a Holy Man sent from God, a Prophet Blessed of God and a miracle worker, but can't admit that it might be possible that He was and is the one spoken of throughout the Torah and Koran. I realize that we even have people that believe that we are descendant from pond scum and there is no God. As we look at all the thousands of lotteries the human race had to win to achieve that outcome, I for one believe in a God that is a Loving Creator that has a plan for his creation and the plan is about to come to an end. We, you and I, have to make up our minds as to what we believe and choose.

Ether way what harm is it to Love your fellow man, live as one in love and peace, and to look forward to life eternal with a loving God? Better than the alternative, total nothing. To that end I would like to wish all a Happy Resurrection Day, Happy Easter, and Happy Holiday for free candy and this year be nice as you enjoy your April Fools Day. Oh! By the way did you know that an atheist sued the state wanting a holiday for atheists and the judge threw it out saying you already have your holiday April 1st.

LOVE AND BLESSING,

# DISTRICT PLAYGROUND PROJECT

In the summer of 2016, the Montana District of Kiwanis along with the Kiwanis Foundation of Montana created a new District Project to benefit the Kids of Montana. The Project would identify each year a Montana community that could use a modern playground for the young children of the community. The first playground was built in 2017 in Absarokee Montana. The second playground will be built in Twin Bridges Montana this fall.

Last year a financial grant from the Kiwanis Foundation of Montana in the amount of \$7500 was a very big reason for the success in Absarokee. In addition the project received donations from 13 Kiwanis Clubs across the District totaling \$2150 and from individual Kiwanians totaling \$1294. There were eight Kiwanians that helped build the playground on the day of the build. What a GREAT KIWANIS achievement for the children!

We have applied for a second grant from the Kiwanis Foundation of Montana for \$7500. Julie Thomason is working on a grant application with KaBoom and Michele Wheeler is working on a grant application with the Childrens Fund of KI. The Childrens fund will be a small grant even if we are successful. We applied for the KaBoom grant last year but received nothing. The community of Twin Bridges and the county fair board have donated land and committed funds to the project. The Rotary Club of Twin Bridges has agreed to assist with the project in Twin Bridges. We are contacting local businesses and area ranchers for financial support.

We will need to raise approximately \$25,000 to build the playground. We are asking for individual clubs to donate to the project again this year. Letters will be going out to the club officers soon. We are also asking for individual Kiwanians to donate again this year to help the children of Twin Bridges. Donations from clubs and individual Kiwanis members should be made payable to the Kiwanis Foundation of Montana and mailed to me at P.O. Box 923, Bonner, MT 59823 or to Jean Steele, Foundation Treasurer at P.O. Box 1171, Troy, MT 59935-1171. The Foundation has generously agreed to collect funds and pay bills for the Playground Project again this year.

If you are interested in helping with the build please let one of the committee members know. We will keep everyone advised of the progress of the project.

The District Playground Committee is actively involved in working with Twin Bridges community leaders for the planning and financing of the playground. We have a target date of September, 2018 for completion of the playground.

Thanks again to all for "Serving the Kids".

DIVISION 9 HELENA KIWANIS

#### HELENA KIWANIS MAKING A DIFFERENCE IN OUR COMMUNITY

Each year, **HELENA KIWANIS** selects a signature project with which to devote our time and resources. This year we selected to make the investment in creating a playable playground for all at Cherry Park.

About two years ago meetings began taking place with the City of Helena and Helena Kiwanis to identify possibilities of a signature project. **CHERRY PARK** and its playground serve as a valuable neighborhood asset for families. Due to the aging and broken down play equipment, plus great interest and support from the neighborhood, Cherry Park was selected to create a new, all-inclusive playground. Helena Kiwanis is partnering with the City of Helena Parks and Recreation Department, Helena's Playable Playgrounds, and Landscape Structures Inc. to make this project work.

This \$228,000 multi year, multi phase, shovel ready project is currently in the process of fundraising. The first phase of installment work will begin this summer. Kiwanis has raised over \$45,000 toward Cherry Park to-date, all through in-kind donations with more to come. We are also submitting for multiple grants and foundation requests for an additional \$145,000.

In addition to our yearly signature projects, Helena Kiwanis takes great pride in our ongoing services to children in the Helena Community. For the last five years, our Bringing Up Grades (BUG) program has gained traction in our elementary schools. We currently serve 4th and 5th graders in 7 of our 10 elementary schools, reaching 630 students this year! We go to each school and encourage the students to work hard and help them understand the importance of a solid education.

At the end of the second quarter **BUG** honoree students get to attend a weekly Kiwanis meeting, where we call them up to be recognized, issue certificates and celebrate their achievements. At the end of the third and fourth quarters, Helena Kiwanis throws BUG celebrations at each school; Kiwanians take the certificates, pencils and plastic bugs and celebrate with pizza or ice cream and cookies. Everyone has a great deal of fun.

No matter what project Helena Kiwanis is involved in, we make every effort to reach out to as many children in our community as we can. The gratitude we see on the faces of the BUG students is a great affirmation of what it is to be a Kiwanian!
